# **Plan Ahead and Be Prepared**

Occupational Safety and Health Administration

where possible

#### Heat Illness Prevention

Provide training on heat illness to all workers. Have an emergency plan.

For more information: 1-800-321-OSHA (6742) TTY 1-877-889-5627 www.osha.gov/heat

Federal law entitles workers to a safe workplace. Workers have the right to speak up about hazards without fear of retaliation. See **www.osha.gov/workers** for information about how to file a confidential complaint with OSHA and ask for an inspection.

**Work Safely in Heat** Indoor and outdoor workers are at risk for heat illness. **Heat illness is preventable Drink cool water Take rest breaks** Find shade or a cool area Wear light-colored, Some equipment Check on loose-fitting clothing each other can increase your

heat exposure

OSHA 3422-07R 2023

### If a worker experiences:

Headache or nausea

Hot and dry skin **High body temperature** 

Weakness or dizziness

Thirst

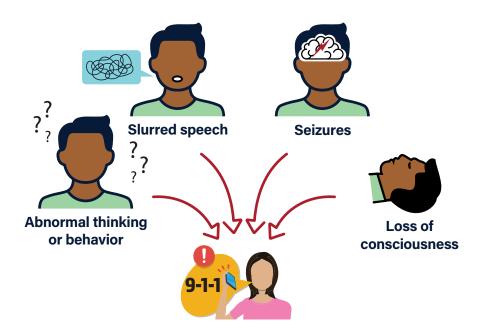

0 0 0

Decreased urine output

# Signs of a medical emergency

- 1. Call 911 immediately
- 2. Cool the worker right away with water or ice
- 3. Remove unnecessary clothing and give cool water to drink
- 4. Stay with the worker until help arrives

## **Take these actions:**

- Drink water
- Remove unnecessary clothing
- Move to a cooler area and use a fan, if available
- Cool with water and ice
- Do not leave alone
- When in doubt, call 911
